Name Kristin Hoff Office _____
Mayor Date 8/13/2017

1. Do you support the efforts of Welcoming Michigan?
Why? Why Not?

I do not believe in inviting someone into your home to live with you when you do not even have your own life together to take care of yourself.

2. Do you support the current U.S. Refugee Resettlement Program? Why? Why Not?

I do not believe in making a taxpayer pay for another if they do not wish to.

3. Do you support making Michigan a Sanctuary State?
Why? Why Not?

I believe every U.S. citizen has the liberty to adopt an individual/family if they so wish as well as pay the adopted party's law completely, with charity debts also given to those people/families who offered their names to others.

4. Having taken the oath of office, how would you balance diversity and assimilation?

A U.S. citizen has the right to life, liberty, & the pursuit of happiness. So long as they are not harming another individual in any way, shape, or form.

5. Name examples of Shariah compatibility/incompatibility with the U.S. Constitution.

Both consider themselves a group of Divine laws, but only one is actually laws for complete equality for all (Democracy), while the other is an inslaving Dictatorship (clothed in "Religion"). Ex: Democracy: Bill of Rights - Sharia: Hadal punishments.

6. List donations over \$250 [Provide As-of-Date -- Will be asked to update periodically].
