

Name__ Tom Leonard_____ Office _____Attorney General of Michigan___ Date __1/2/18__

1. Do you support the efforts of Welcoming Michigan? Why? Why Not?

No. Welcoming Michigan actively supports the creation of sanctuary cities in our state, and I have a measurable track record of results fighting back against those programs.

2. Do you support the current U.S. Refugee Resettlement Program? Why? Why Not?

The United States is a nation of immigrants, but our current system makes no sense. We need President Trump's strong vetting program to secure our borders and bring some common sense to our immigration laws.

3. Do you support making Michigan a Sanctuary State? Why? Why Not?

No, and I led the charge to stop the City of Lansing when they made a mistake and tried to become a sanctuary city earlier this year. Michigan residents don't want to see their communities become safe havens for criminals, and they are tired of their local politicians playing cheap political games with their safety and security. The people of Michigan deserve to live in a state that respects the law.

4. Having taken the oath of office, how would you balance diversity and assimilation?

The United States is an incredible melting pot of ideas and experiences that has built the best and most successful nation in the world. We all come from different backgrounds, but we share our strong American principles, forged over the last 200 years of history, which should remain at the center of our way of life. We also have a shared language that binds us, which is why the Michigan House of Representatives is leading the way with a bill to designate English as our official language.

5. Name examples of Shariah compatibility/incompatibility with the U.S. Constitution.

The Constitution prioritizes individual liberty and protects the rights of every American citizen. It disagrees with Shariah law in several ways, just like it disagrees with almost every other form of government found around the world. It is the best form of government ever created, and it should remain supreme for everyone in this country.

6. List donations over \$250 (Provide As-of-Date—Will be asked to update periodically).

Every contribution my campaign has received is listed online for the public to see in a searchable database on the Secretary of State's website.
